Dear Club Secretary,

2024 National AGM/Convention – Nomination

This is the official call for your club to express interest in running the Apex National Convention in 2024. Our Rules state;

19.5 Hosting a National Convention

a) An Apex Club may nominate to host a National Convention or AGM ("Convention" for this rule includes both events).
b) If a Club's nomination is selected and approved by a majority vote of the National Board, then the Club must enter into a written Agreement with the Association containing the terms and conditions of hosting a National Convention.
c) The host Club will be paid the National Board Registrations which the Association must pay for, 90 days prior to Convention on production of a suitable invoice.
d) The host Club is responsible to meet all liabilities for any losses incurred in hosting the Convention for whatever reason.
e) The host Club may retain all profits from hosting the Convention; however:
f) The National Board must approve of the host Club's convention budget which must detail likely costs to be incurred to members attending (such as registration, drinks and non-delegate events).
g) The host Club must submit a report to the National Board within 90 days of the Convention in the manner prescribed in the convention agreement.

Send your nomination to admin@apex.org.au. Nominations must be received by COB **31St May 2023.** A convention host pack will then be sent to you to finalise your nomination.
