Dear Club Secretary,

Due to challenges presented by Covid-19, this year's AGM, training day and award ceremony will be carried out via Zoom on Saturday 14<sup>th</sup> November.

With the AGM nearly upon us, it is time to submit your nominations for the National Awards. There are a number of Awards for which your Club can nominate, and you are encouraged to submit nominations for any and all categories. This is a great opportunity to show other Apex Clubs across Australia what your Club has achieved.

Apexians are humble by nature and don't like to blow their own trumpet, but receiving a National Award is a significant acknowledgement of your hard work, so consider submitting as many nominations as you can, you won't win if you don't nominate!

Information on our awards can also be found on the Apex Australia website under 'National Awards' on the 'Resources' page <https://www.apex.org.au/club-resources>. All award nominations are required to be submitted to the National Awards Director Simon Grant at [awards@apex.org.au](mailto:awards@apex.org.au) by 30<sup>th</sup> September, saved as a PDF document. For more information please contact [awards@apex.org.au](mailto:awards@apex.org.au) or [admin@apex.org.au](mailto:admin@apex.org.au).

Congratulations on your club's achievements over the past year and we look forward to seeing you and your Award Nominations at this year's virtual AGM.

Yours in Apex,

Bethany Paterson  
**National President**  
**Apex Australia**
