Dear Club Secretary,

As this year's National Convention at Bundaberg QLD (8th & 9th October) draws closer, it is now time to complete and submit nominations for the National Awards. There are a number of Awards for which your club can nominate, and I encourage you to nominate for any awards for which you think you may be eligible. As Apexians, we are often quiet achievers and don't always blow our own trumpet, but now is the time to shine! Apex Australia want to hear all about the great achievements of your club and your members.

Information on our awards can be found in the 'National Awards Manual', which can be found on the Apex Australia website in the 'Resources' section under 'National Awards'. All award nominations are required to be submitted to the Apex National Office awards@apex.org.au by 31st August in PDF format. For more information on these award categories please contact sp@apex.org.au or nom@apex.org.au

Congratulations on your club's achievements over the past year and we looked forward to seeing you at this year's National Convention and hearing all about the great things that have been happening in your club.

Yours in Apex,

Bethany Paterson
National President 2020-2021
Apex Australia
